## MINUTES by Charles Streitwieser

President **Bill Friedman** announced that after 50 years, **Steve Founds** sold his Funeral Services business to **Chris Feryo**.

We were reminded that on this day in 1980, JR Ewing was "shot"; and that in 1950, Rotary International requested us to adopt its new motto: Service Above Self. The old motto had been: "He profits most who serves best."

"Rotary-Versaries" were acknowledged for **Dave Wood** (inducted in 1984) and **Faith Woodward** (inducted in 1995).

**Laura Aloisio** announced that the Community Philanthropic Grants Committee's deadline for CPC Applications (available on our club website) were due by April 30<sup>th</sup>.

**Chris Feryo** announced the Soup Drive for Safe Harbor (Homeless Shelter). He distributed the recipe for Hamburger Soup, which everyone who participates will be asked to make. The finished soup should be brought to the club in frozen freezer bags on April 4<sup>th</sup>. Please lay the bags on a flat surface when freezing for ease of storage later.

## SPEAKERS REVIEW by Faith Woodward INDUCTION

**Past President Gary Hess** inducted our newest member **Debbie Ferry**, sponsored by **Patty Jefferis**. Gary informed us that there are 1.2 million members in 200 countries in Rotary International, wait a minute, Gary said fewer than 200 countries exist... Anyway, Gary decided to take the approach of geometry, applying twisted logic (sounds like Gary, doesn't it?) Rotary is a service club promoting integrity, world-

understanding, peace, and lots more, but fun and fellowship are important too. Fellowship, according to Webster means, "friendly associations, especially with people of like interests". One of the components of the Four Way Test is "Will it build GOODWILL and BETTER FRIENDSHIPS?". People join Rotary for many reasons but most stay in Rotary because of friends. Welcome Debbie!

## CLASSIFICATION TALK BY CAPTAIN JESUS CORRALIZA

**Jesus Corraliza** was born in 1963 in Puerto Rico. In 1987, he moved to Atlantic City and for 11 years worked in the casinos. He had a nice apartment, was financially secure, and (he is not proud to say) was a womanizer. He married Maria and they moved to Patterson, NJ in 2001. Their two children Alexandra and Emmanuel were born. He lost his job and their apartment and members of their church at the Salvation Army helped them through this time while they lived in highland Park, NJ. But his life was empty until he "met the Lord and it changed my life." Since then he has never had more problems than he could handle.

Joining the Salvation Army in 2008, he went for training in Suffolk, NY for 2 years. In 2013 he was appointed to a church in Harrisburg and then 2014 to 101 E Market Street in West Chester. Tired of moving, he plans to stay here!

What does the Salvation Army do for the soul? Spiritual and Emotional care, Counselling, Women's Ministry (11 AM every Wednesday), Men's Ministry (6:30 AM every Wednesday), Sunday School 10 AM, 11 AM Worship services, prayer 6 PM, The League of Mercy visits Nursing Home residents.

What does the Salvation Army do for the Body?

Camp Ladore has program for kids, families, music. What does the Salvation Army do for the Community? Rent, utilities, clothing, household items assistance; prescription and eyeglasses vouchers; holiday meals; and the food pantry "manna form Heaven". The soup kitchen is open for meals every day at 7 AM and 5 PM. They hold 3 food drives each year, the kettle drives that gather \$85,000. Emergency Disaster Services has helped people in Puerto Rico and Florida.

Why did Jesus join Rotary? He sees people here who care for the community.

**Paul Woodruff** pointed out the Salvation Army has very little overhead and is one of the top charities in the country. Paul won the 50-50 and gave his proceeds to the Salvation Army.

### THANK YOU

Copies of the Votary are provided today by **Melissa Baxter** of the Domestic Violence Center.

### SOUP FOR SAFE HARBOR

This year's Soup Project will be a little different. We are asking that all Rotarians make the same soup (recipe below) and freeze in gallon Ziploc bags. We will be collecting the soup at our meeting on April 4<sup>th</sup> and delivering it to Safe Harbor.

#### Ingredients

- 1 lb lean ground beef
- 1 small onion, finely diced
- 2 cloves garlic, minced or pressed
- 1 teaspoon salt
- 2 cups peeled and chopped potatoes
- 2 cans (14.5 oz each) beef broth
- 1 can (10 oz) condensed tomato soup
- 1 can (15 oz) petite diced tomatoes, undrained
- 1 bag (16 oz) frozen mixed vegetables
- 1 teaspoon Worcestershire sauce
- 1 teaspoon dried parsley
- 1/2 teaspoon dried basil
- salt & pepper, to taste

#### Instructions

- In a soup pot, over medium-high heat, brown the ground beef, onion, garlic, and salt until no longer

pink. Break up meat in crumbles as it cooks. Drain and return to the soup pot.

- Add chopped potatoes, beef broth, tomato soup, diced tomatoes, frozen vegetables, Worcestershire sauce, and the seasonings. Stir to combine. Bring to a boil. Once boiling, cover with a lid and reduce heat to medium-low. Let simmer for at least 30 minutes for the flavors to combine and the soup to become thicker.
- Put into freezer Ziploc bags. Lay flat on cookie sheet and freeze.
